

Radius Sketchpad

November 22, 2014

Radius Sketchpad presents **Episode 50: Rebekkah Palov** *Glitch for Variable and Determinate States*.

Sketchpad is an ongoing monthly radio program produced for Wave Farm. Wave Farm is a non-profit arts organization that celebrates creative and community use of media and the airwaves. Wave Farm provides access to transmission technologies and support artists and organizations that engage with media as an art form.

The Sketchpad program features a re-broadcast of previous Radius episodes. Each episode is followed by a playlist of works selected by that episode's artist. The series seeks to highlight the peripheral work that influences the research and production of the episode.

Schedule:

Sketchpad broadcasts every fourth Saturday of the month from 2pm - 3pm EST on Wave Farm's FM radio station WGXC (90.7-FM).

WGXC (90.7-FM) is a creative community radio station based in New York's Greene and Columbia counties. Hands-on access and participation activate WGXC as a public platform for information, experimentation, and engagement.

Archive:

Sketchpad is archived on the Transmission Arts Archive, an evolving online resource, a book, and a physical Study Center located in upstate New York, USA.
