Radius Sketchpad presents **Episode 48: Radio Aktiv** *Sonic Deep Map*.

Sketchpad is an ongoing monthly radio program produced for [Wave Farm](#). Wave Farm is a non-profit arts organization that celebrates creative and community use of media and the airwaves. Wave Farm provides access to transmission technologies and support artists and organizations that engage with media as an art form.

The Sketchpad program features a re-broadcast of previous Radius episodes. Each episode is followed by a playlist of works selected by that episode's artist. The series seeks to highlight the peripheral work that influences the research and production of the episode.
