Audiences are invited to turn out in person at Fridman Gallery in NYC, or tune-in live on Wave Farm Radio

at wavefarm.org/listen and WGXC 90.7-FM in the Upper Hudson Valley, New York.

Wave Farm is a non-profit arts organization driven by experimentation with broadcast media and the airwaves. Our programs—Transmission Arts, WGXC-FM, and Media Arts Grants—provide access to transmission technologies and support artists and organizations that engage with media as an art form.

Fridman Gallery represents emerging and mid-career artists. We participate in a number of international art fairs, and present innovative intermedia performances alongside our exhibition program. More at fridmangallery.com.
