

Turn Out and Tune In SHORT WAVES / LONG DISTANCE

Shortwave Shindig at SWLFest and on Wave Farm Radio, Fri. Mar. 3, 10 p.m. - Sat. Mar. 4, 1 a.m.

Wave Farm and The North American Shortwave Association are pleased to present Short Waves / Long Distance, a program of works exploring the sonics of the shortwave radio spectrum (2-30 mHz), and the experience of long-distance listening. Selected works will be featured during **David Goren's Shortwave Shindig** held at the Fest on Friday March 3, 2017, and broadcast worldwide on shortwave via **WRMI** (Radio Miami International) and Wave Farm Radio / **WGXC 90.7-FM** in the Upper Hudson Valley, New York. *Short Waves / Long Distance* includes works by Lee Rosevere, Javier Suarez Quiros, Ed Osborn, Patrick Harrop, William Basinski, Mark Vernon, Nicholas Knouf, Sally Ann McIntyre, Edward Ruchalski, Stephen Bradley, Pietro Bonanno, Linda Dusman & Alan Wonneberger, Jed Miner, Jeff Gburek, and Amanda Dawn Christie. SUPPORT CREATIVE COMMUNITY RADIO

Wave Farm's WGXC is a uniquely open and experimental platform that needs your help. We have extended our winter Radical Radio Pledge drive in order to raise the necessary funds to keep WGXC's FM signal on the air. Your tax-deductible donation will provide critically needed support for this ambitious hands-on radio project. Thank you so very much to all who have already contributed and all who will do so in response to this appeal.
