Curriculum Changes

Referring to your application's original curriculum, did your workshop go as planned? Describe what you accomplished and any challenges you faced. If you had to modify your plans for any reason, tell us how and why.

Budget Changes

What are the differences, if any, between the projected budget you submitted with your application and the final budget? Please particularly address any shortfalls or surpluses and their impact.

DOCCS Relationships

Who were the key DOCCS staff members you worked with? How did DOCCS staff help support your project?

Scheduling and Communication

In terms of scheduling and communication with your Facility, what, if anything, do wish could be improved for future workshops?

Testimonial

If you are willing, please provide a quote or testimonial (from your perspective as a grantee) that might be useful as we work to secure future funding and promote Arts in Corrections NYS
