The **Olana Partnership** and **Wave Farm's WGXC 90.7-FM** are pleased to co-present a third iteration of their award-winning exhibition event, **Groundswell**. Over a dozen artists will reflect on and react to Olana and its integral viewshed as an ambitious and early environmental work. Olana's 250-acre landscape was originally designed in response to its essential and spectacular views—the *Olana Viewshed*—by Hudson River School artist Frederic Church. Audiences will explore the property's undiscovered roads and naturalistic scenes as they encounter each project site. Food and drink will be available for purchase from **Daughters Fare & Ale**. At 4 p.m., the event culminates with a performance by **Quintron**. In case of inclement weather, the rain date for *Groundswell* will be Sun. Sept 20, from 1-5 p.m.

More information at wgxc.org or olana.org.

Olana State Historic Site is located at 5270 State Route 9G, Hudson NY.
